As winter embraces us, I reflect on the warmth and unity that characterize our exceptional school community. The brisk air serves as a gentle reminder of the beauty inherent in unity, making this season a testament to our collective ability to adapt, evolve, and thrive.

In this period of stillness and introspection, our school continues to shine as a beacon of knowledge, growth, and camaraderie. While navigating the winter months, let's not lose sight of the delight that surrounds us. Whether it's the joyous laughter echoing through the hallways, the collaborative spirit in our classrooms, or the resilience exhibited by our students and educators alike, our community remains robust and vibrant.

Winter, with its transformative allure, beckons us to appreciate the beauty of change. In the upcoming season, we eagerly anticipate not only the hope and optimism that the new year brings, but also the opportunity to showcase the growth that has transpired in our minds, actions, and hearts. As we step into 2024, we look forward to advancing academically, concluding the first half of the school year and preparing for a series of high-stakes assessments- including:

- **SAT/PSAT - March**
- **Smarter Balance - April**
- **College Board (AP exams) – May**

Wishing you all a winter filled with joy, connection, and the magic that only our unique community can create.

Warm Regards,

Kendra Todd- Dixon

Principal
