# Getting Started with Remote Learning

## CHROMEBOOKS

- Chromebooks can only be accessed with your Red Clay-issued Google account.
- Before logging in, connect your Chromebook to your home Wi-Fi.
- **Log into your Chromebook with your Google credentials.**
  - **s.firstname.lastname@redclayschools.com** (e.g., s.john.smith@redclayschools.com)
  - **The default password is the student ID (lunch number) unless the password has been changed.**
- Ask your teacher if you need help identifying a username or password.

## CLASSLINK

- Classlink is the portal to all Red Clay Apps.
- ClassLink is available on your Chromebook's homepage or visit launchpad.classlink.com/redclay.
- Log into ClassLink with Google credentials.
- Once logged in you can access Google Drive and applications like Schoology, DreamBox and Sora.

## GOOGLE DRIVE

- Google Drive is a file storage service created by Google.
  - Save files to the cloud and access them at any time, from any device.
  - Share files and collaborate with others.
- Access Google Drive through ClassLink or visit drive.google.com.
- Log into Google Drive with your Google credentials.
- Every file in the district managed Google Drive goes through filtering software that scans for language and images.
- Students have unlimited Google Drive storage.
- Red Clay recommends organizing Google Drive files by grade level and by content area.
  - Create a grade level folder and move your files into that folder.
  - Within that folder, add more folders for each content area.
  - Sort your files into content area folders.
- Be sure to add a title to Google Drive files to help make searching easier.

## SCHOOLOGY

- Schoology is the learning management system to communicate with teachers. Information and assignments will be posted here.
- Access Schoology through ClassLink or visit redclayschools.schoology.com.
- Log into Schoology with your Google credentials.
- Once signed in, select "Courses" at the top of the Schoology homepage.
- Select each course and familiarize yourself with the contents.

## ZOOM

- Zoom is a conferencing program that can be used if your teacher needs to deliver lessons remotely.
- Access Zoom through ClassLink or visit zoom.us
- Log into Zoom with your Google credentials.
