ARRIVAL

The doors open at 8:45am. There is no staff on duty before 8:45am. If your child arrives to school before that time, they will be waiting outside. Please have them dressed for the weather.

ATTENDANCE

In Delaware, school attendance for children between the ages of five and sixteen is mandatory. Parents or guardians who fail to send their children to school are subject to prosecution, the results of which may be a fine or imprisonment. It is our obligation to refer illegal or excessive absences to truancy court. **Satisfactory attendance is a requirement for continuation as a Choice student at Shortlidge.**

Whenever a child is absent or tardy, a note explaining the absence or tardiness **must** accompany the child upon return to school. A parent/guardian **MUST** drop off the child in the main office. Legal reasons for which a child may be excused from being absent from to school include the following:

- Illness or recovery from an accident
- Death in the family
- Quarantine
- Unexpected emergency
- Health care
- Observance of religious holidays

Absences for other reasons, like vacations, will be unexcused. Should your children be absent because of a serious contagious disease, a written note is required from a doctor at the time for re-admission to school.

Before & After School Programs

The Boys and Girls Club will provide on-site care both before and after school. The before care program begins at 6:30 am and students in the after care program must be picked up by 6:00 pm. Information about the program is listed on our school website or you can contact them via phone at 302-893-9314.

BUS SAFETY

Students riding the bus **must** follow the bus rules. These rules are for the safety of all riders.

1. Be on time at the bus stop. Stand in a single line away from the road. If problems occur at the bus stop, please contact the school office.
2. All children **must** remain seated while the bus is in motion.
3. Students must never throw objects from bus windows.

4. All children **must** keep their hands, arms and head away from open windows.
5. Fighting, horseplay, or profanity **will not be tolerated**.
6. All kindergarten students must be met at the bus stop or they will be returned to the school.

Students that do not follow the bus rules will be suspended from riding the bus (5 to 30 days). Continuous offenders will lose their bus riding privileges for the school year. When students are suspended from the bus they are still required to come to school. It is the **responsibility of the parent** to get their child to and from school.

BUS TRANSPORTATION

If your child is having a problem with another student on the bus, they must first report it to administration and the school makes every effort to solve the problem. Parents and guardians are prohibited from boarding the school bus for any reason. Police assistance will be called if an unauthorized adult boards the bus for any reason. If you are having problems concerning the bus routes, bus arrival times, etc. contact the **Bus Transportation Office at 322-0251**.

BULLYING POLICY

Each behavior referral received that indicates alleged bullying will be investigated and the bullying law and district policy will be followed and enforced. All confirmed cases will be reported to the Department of Education within five working days as prescribed by the law. The bullying law and district policy will be followed and enforced. If you suspect an incident of bullying in our school, please contact an administrator. **Please see the appendix of this handbook for more details regarding the reporting requirements and procedures.**

CLOSED CAMPUS POLICY – IMPORTANT INFORMATION

Please note that Shortlidge is a “*Closed Campus*” *daily at 3:15pm, which means there are no dismissals after 3:15pm unless the school nurse has called for one.* Parents will have to wait until actual dismissal time of 3:40pm to pick any students up after the start of “*Closed Campus*” at 3:15. Only in cases of emergencies will students be dismissed and/or visitors allowed to enter the building during the closed campus time to ensure the safety and security of our campus while concluding instruction and preparing for the final transition of the day. Thank you for helping school staff keep your child **SAFE**.

CELL PHONE POLICY

Cell phones have become increasingly present in our lives and also in our classrooms. There is no need for children to have their cell phones on or out during the school day. **Any cell phone visible during the school day will be considered a violation of the Code of Conduct and will be confiscated by administration.** Students who have

been given cell phones for before or after school safety may keep them turned off and on their person. Administration will not be responsible for lost cell phones and will attempt to the best of their ability to investigate reports of stolen cell phones. The school is not responsible for lost or stolen cell phones. Please note, all students deserve the opportunity to learn in an environment free from cell phone distractions. Students are prohibited from using cell phones to video or audio tape during the school day.

DISCIPLINE POLICY

The Red Clay Consolidated School District Board of Education will issue a copy of the Student Code of Conduct for every family. The contents of the code will be discussed with the students at the beginning of the school year.

We recognize that the first requirement of a school community is to provide a safe and disciplined learning environment. Shortlidge has initiated the **Positive Behavior Support (PBS)** program to help us determine school-wide expectations for maintaining the best behavior from our students. Students will participate in recognition celebrations for adhering to behavioral expectations.

We feel that the best approach to good behavior is a positive one. The PBS program firmly and clearly states the expected behavior a student must have while in school. The students know what is expected and what the consequences will be for inappropriate behavior. This program creates trust and respect for the teacher and self-respect for the child. Discipline and behavior cannot be isolated to just the school situation. Please talk to your child daily about his/her behavior in school.

A Positive Behavior Support (PBS) Teacher is one who will not tolerate student behavior, which interferes with his/her teaching or with the learning of other students. Every teacher has the responsibility and the authority to enforce the school rules with all students.

The discipline plan is very simple. Every student is expected to be responsible, respectful, prepared, and safe. Our students practice using PAWS behaviors everyday:

P = Practice Safety
A = Act Responsibly
W = Work Cooperatively
S = Show Respect

In order to encourage our beliefs, the following pledge has been established to govern behavior in school.

The Shortlidge Academy PBS Pledge

Today I pledge to be the best possible me. I will Practice Safety, Act Responsibly, Work Together, and Show Respect. No matter what I do, I know I can become better. I pledge to believe in me!

Students who choose not to follow the above plan will receive consequences: notes sent home to parents, phone call to parents, loss of special privileges and school

activities, meeting with school counselor, school psychologist, family crisis therapist, director of student services, or school administrators, detention and suspension. Please explain to your child that hitting and fighting is not acceptable behavior.

Students who behave appropriately will be rewarded with praise, DoJo points, positive notes sent home, special privileges and class activities, lunch with a staff member, PAWS (tickets) and student recognition programs.

DISMISSAL PROCEDURES

Walkers and car riders will be dismissed from the cafeteria. Parents, guardians and daycare workers will wait at the entrance of the cafeteria while students are called for dismissal. Please note, due to the closed campus policy, no one will be permitted in the cafeteria during dismissal.

Please do not ask for an early dismissal unless it is an emergency. We believe the entire instruction day is important; therefore, we discourage early dismissals. However, when you must pick up your child early, ***a parent's note must be submitted each time a child is picked up early.***

Changes in the ways students are to depart from school (ex: change from bus rider to car rider) ***must be in written*** form and presented to the office for approval. These changes should be made in the morning so that the office staff has time to confirm these arrangements. This procedure helps all of us relieve worry and concern about our students and your children.

EARLY DISMISSALS

If it is necessary for a student to be dismissed during the school day, parents should send a note (with the child on the day of the early dismissal) stating the **time of dismissal and reason**. Parents must sign their child out and pick them up at the **main office** at the designated time.

Please keep early dismissals to a **minimum** so that your child does not miss valuable instruction time. Excessive early dismissals could affect Choice status.

If someone other than the student's parent/guardian is picking up the child, please send a note including this information. Students will not be dismissed to anyone other than the parent/guardian without a note from the parent/guardian. We do not have a "pick up list".

Please note that Shortlidge is a "Closed Campus" daily at 3:15pm, which means there are no dismissals after 3:15pm unless the school nurse has called for one. Parents will have to wait until actual dismissal time of 3:40pm to pick any students up after the start of "Closed Campus" at 3:15.

EMERGENCY INFORMATION

In a medical emergency involving your child, we want to contact you immediately. Therefore, it is **extremely important** that we have **current information** on your child's emergency card, including telephone and address. If you do not have a telephone, we must have the number of someone who can immediately contact you.

Minor accidents and illnesses will result in the administration of first aid. We will contact you should the situation be serious in nature. If you are not at home, we will call the parent's work telephone number, followed by the emergency number, which you have given us. If we are unable to reach you in any situation requiring a doctor, we will transport your child to a hospital for emergency treatment.

FIELD TRIPS

Field trips are an extension of the school program. We expect all children to participate. You will be informed of any field trip being planned for your child's class and will be required to **sign a form granting permission for your child to participate in the activity**. At times, parents will be required to cover the expense of these activities. However, if there is a financial concern, please contact your child's teacher so we can provide assistance. Parents may also be **required** to attend a trip to help supervise their child based upon administrative request.

GOOD HEALTH

Proper rest is important both for a child's health and so that he or she can do their best in school. An early bedtime is important for children at this age.

During wet or extremely cold days, recess will be held indoors. Other days, children who are well enough to be in school will go outside for recess. Children should come dressed accordingly.

GUIDELINES FOR MANAGING STUDENTS WITH FOOD ALLERGIES

The Red Clay Consolidated School District recognizes the growing number of students who attend our schools with a potentially life-threatening food allergy. In an effort to provide a safe environment and to minimize the risk of accidental exposure to a food allergen in the school setting, the district has approved a new Administrative Memorandum titled *Guidelines for Managing Students with Food Allergies*. It is the responsibility of the parent or guardian of the food-allergic student to provide a Food Allergy Action Plan (FAAP) and prescribed medication to the School Nurse at the beginning of every school year <http://www.foodallergy.org/files/FAAP.pdf>. The FAAP is completed by a licensed Healthcare Provider and shared with the school Nutrition Supervisor and appropriate school personnel.

Classroom Celebrations

Classroom celebrations are limited to 15 minutes and **must be prearranged with the classroom teacher**. Teachers have the discretion to not participate in classroom celebrations OR may distribute the snack/celebration item without the parent present. Balloons are not permitted in classrooms. We encourage parents to celebrate with nonfood items such as stickers, pencils, themed erasers, rather than food. If you send in food for classroom distribution, please consider fresh fruit and vegetables. **All other food sent in to share with students must be prepackaged and contain a commercial ingredient label**. Managing food allergies is a shared responsibility among families, students, schools and healthcare providers. The guidelines pertain to all students and school personnel in the Red Clay Consolidated School District.

Please note that multiple family members cannot convene in your child's classroom to conduct a birthday party that traditionally would take place at home.
****NO MORE THAN 2 FAMILY MEMBERS****

HOMEWORK POLICY

The purpose of homework assignments is to reinforce what has been taught in class or to extend the class activity into purposeful home-community activities. Homework may also be the continuation of unfinished classroom work. It may be varied to include activities of a special nature such as: reading a good book, practicing a math skill learning in class that week or sharing a PATHS weekly communication to parent.

Parents should provide a proper place for study and should see that the necessary materials are available. The student should be free from interruptions and conflicting demands during the time required completing his assignments. Parents and guardians should never do the homework but should discuss assignments with their child. **Parents should check folders daily, to make sure of required assignments as well as to check for messages from the teacher.**

*** Please keep in mind that if students have worked during the six and one-half hour school day, they also need time for unstructured play and involvement in non-school activities at the end of the day. ***

LATE ARRIVALS

Please support punctuality with our students. Children are **expected** to be at school **on time (8:45am)**. Late arrivals must be accompanied by a parent/guardian to the main office where parent/guardian will provide the reason why the student is late. Please see the Student Code of Conduct for excused lateness. Any student arriving in homeroom after **9:15 am** is considered **late** and must report to the office for an admission slip. Tardiness is an interruption to the instructional day; and, chronic tardiness can have a negative impact on children's overall classroom experience. One of the simplest ways to eliminate this concern is to be sure students ride their assigned school bus to school each morning.

LOST AND FOUND

If your child loses anything, he should always check the lost and found container. We recommend that parents check the lost and found from time to time.

MAKE-UP WORK

Students are responsible for making-up work missed when absent from class. If a student is absent one or two days, work can be made up when he/she returns. If absent two or more days, parents may request homework by contacting the office before noon. Assignments and resources will be ready within 24 hours.

MEALS

As a **Title I** and **CEP** (Community Eligibility Provision) school, all Shortlidge Academy students will receive free breakfast and lunch. Breakfast is served daily to all students from **8:45 am to 9:00 am**. If your child is planning to eat breakfast at school, please be sure they are here by 8:45 am.

MEDICATION POLICY – IMPORTANT!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!

Medicine should not be sent to school with your child. State regulations require that medication be brought to school by a parent in a container with the pharmacy label. If you wish your child to have non-prescription medication in school such as aspirin, you will be asked to sign a permission form.

Please remember that proper rest and diet is important to a child's health and ultimately to performance in school. In addition to rest and diet, student dress that is appropriate to the weather is another way in which you can help assure your child's comfort and success in school.

PARENTAL / GUARDIAN RIGHTS AND RESPONSIBILITIES

The Red Clay Consolidated School District has adopted policies requiring students to meet our Board of Education's standards and also, for promotion in grades K-12. The Board believes that learning best takes place when there is a shared effort, interest and motivation by parents, school and district staff. We are committed to your child's success in school and promise to work together to promote student achievement.

The school and district have a responsibility to:

- Notify parents when their student's absences become excessive and/or attendance interferes with student progress according to the Red Clay Attendance Code:
- Provide appropriate instruction that reflects State and District standards;
- Respond to parent communications within three days.
- Promote consistency in following the Red Clay Student Code of Conduct to ensure the safety and well-being of all;
- Share information about outside resources with parents having problems keeping students properly prepared for school; i.e., well rested, fed, clothed, clean and health needs met; and
- Provide parents information related to instructional programs.

As your child's first teacher, parents have a responsibility to:

- See that your child attends school daily, as outlined in the attendance code;
- See that your child's homework is completed on time and eliminate distractions (television, video games, computer play, etc.)
- Respond to school staff communications, i.e., conferences, telephone calls or letters, within three days.
- Accept responsibility for your child's school behavior outlined in the Student Code of Conduct by supporting the District's discipline policies. Please return all phone calls / messages to you from the teacher and administration.
- See that your child is properly prepared for school; i.e., well rested, fed, clothed, clean and has all health needs met and is ready to learn.
- Discuss with your child bus safety and remind them to remain seated when on the bus. Reinforce the possibility of bus suspensions for any infractions.

PRINCIPAL/ASST. PRINCIPAL APPOINTMENTS OR MEETINGS

In order for the administration to service you in a professional and effective manner, we are asking that all families make an appointment. Please call the office and we will set up a time after 10:30 a.m. when we can sit down in our office and we can give you our full attention. Please note that **any emergency** will supersede making an appointment.

Parent - Community Forums

A sincere invitation is extended to all parents to join all parent / community forums. Programs for the school year are being planned and will cover important topics and programs concerning you and your child(ren).

PERSONAL PROPERTY

Parents should be aware of what children bring to school each day. It is a good policy to make sure your child's full name is on their items. **Anything your child brings to school is his or her responsibility.** Some occasions may require a parent to pick up an unauthorized article from the teacher. Students are encouraged to keep all electronics at home; **cell phones should not be seen nor heard or they will be**

confiscated. Also note that pocketknives, dangerous instruments, be-be guns, any sharp objects, or toy guns are not permitted in school. They are considered as weapons and will result in **serious disciplinary action** if found in the possession of a student. Please be sure your child does not bring **large amounts of money** to school. While administration will investigate reports of theft, the school will not be responsible for lost or stolen money or lost cell phones.

REPORTING PUPIL PROGRESS

Report cards will be distributed four times a year: Parent-teacher conferences are important and necessary. The teacher will notify the parent well in advance of the day, time and place. Parents may also request a conference. Your child's total school progress is discussed during a parent-teacher conference, therefore if it is impossible for you to keep your appointment, please notify the teacher as early as possible to re-schedule.

Telephone conferences can be a meaningful alternative to discuss a child's progress. To ensure that this type of conference is mutually convenient for those involved, we recommend that this be prearranged with the teacher.

Both you and your child's teacher are aiming for the same goal - the best possible education for your child.

Grading Policy:

All Shortlidge students will receive report cards.

1. Kindergarten through 2nd grade report cards emphasize skill mastery and the performance levels.
2. The new report card will reflect Standards-Based Grading.
3. Attendance is indicated at the bottom of the report card. This is a critical number for determining a student's success in school. **A student with 25+ days may be required to repeat the grade.**
4. All students will receive a behavior grade in each class. This will provide additional information for parents on students' deportment and social development. These are the behavior levels: **1 = Exceeds Standards, 02 = Meets Standards, 03 = Approaching Standards, and 04 = Does not meet Standards.** A low behavior grade is a good reason to schedule a parent-teacher conference. It is also used as a factor in evaluating continuation of Choice placement.

SCHOOL CLOSINGS - WEATHER RELATED

Weather conditions, particularly snow and/or icy roads may make it necessary to cancel school, delay in starting time, or cause an early dismissal. If school is cancelled, delayed or dismissed early,

announcements will be made on local radio stations, including **WDEL, WAMS, WJBR and WNRK**. The school district also uses an automated alert system that dials all the numbers we have on student records as given to us by you at registration. You can also visit the RCCSD District website or social media pages for more information. **It is extremely important that the school has phone numbers that are accurate and that work.** If no announcement is made, school will open as scheduled.

SCHOOL COMMUNICATIONS

Please check your child's book bag / folder DAILY for communications from the school. Please contact the main office if you wish to be added to our email database. Shortlidge utilizes a school messaging service. School Messenger provides automated messages to you about events and activities.

SCHOOL PROPERTY

Textbooks, workbooks, library books, and other non-expendable supplies and equipment are distributed to students with the understanding that they will be well cared for and returned in the same condition as when they were received.

During the school year, students who lose or damage books, materials and school equipment (technology devices) will be required to attend a conference with their guardian/parent and restitution may be required.

SCHOOL SUPPLIES

Each student will be given all the supplies and materials needed to be successful in the classroom. Please send your child to school with a book bag. Classroom donations of supplies are always welcome.

SEVERE DISRUPTIONS

The **Student Code of Conduct** will be followed for behaviors designated as severe within the code. Certain types of behavior will result in an immediate suspension from school or other disciplinary measures. Please read the Student Code of Conduct to make sure you are aware of the district's policies and review the Student Code of Conduct with your child.

UNIFORMS POLICY

Since Shortlidge is a uniform school, all students are required to wear uniforms daily. The uniforms consist of pants, long shorts, skirts or jumpers that are **navy blue or khaki in color**. Shirts may be light blue, navy blue or white but must have a collar – blue and white sweaters are permitted. Students are permitted to wear dark shoes or sneakers. Staff encourages sneakers as footwear, as we want students comfortable on

a daily basis. No open toe, sandals, clogs or flip-flops are permitted. **Sweatshirts and sweaters with HOODS are PROHIBITED to be worn during the school day.** Coats, hats and sunglasses cannot be worn during the school day.

VISITATION POLICY

All parents and other visitors **must report to the office** before proceeding to any other area of the school. Visitors will be required to leave their ID in the main office and wear all visitors badge.

When a parent wishes to speak to a teacher, they can leave a voice mail or arrange for a conference. ***A teacher's first responsibility is to his/her class during school hours.*** Messages for children or teachers may be left in the office.

The Red Clay Consolidated School District welcomes visitors to its school. It recognizes the importance of parent involvement in their children's education, and encourages parents, as well as others, in fostering positive home, school and community relationships. The District also considers the safety of its students and staff to be one of its highest priorities. We feel that we have a strong obligation to provide a safe, secure learning environment of each of the District's schools.

Visitation Guidelines:

The following procedures will be in effect in all school buildings in the Red Clay Consolidated School District and we ask your cooperation in following them. The District's objective is to promote a safe and welcoming learning environment for all learners.

- All visitors are required to use the main entrance of the building.
- All visitors are required to report to the main office immediately upon entering any school building.
- All visitors, including those whose visits are pre-arranged, will be asked to sign a visitor's log and will be issued a visitor's badge.
- Visitor ID will be held in the main office until the visitor returns the visitor's badge.
- Visitors are required to wear the badge during all times while in the school building.
- If parents/guardians need to deliver lunch, homework, or some other item a student needs, it must be brought to the office. The office staff will make arrangements to get the item to the student.
- If a parent/guardian wishes to visit his/her child's classroom to volunteer, arrangements must be made through the school administrators and teacher, who will indicate the best time for such activities and required training.
- **Parent/guardians are welcome to visit their child's classroom to view a lesson. However, in order to ensure that the educational process is not interrupted, the District requires that parents/guardians make arrangements through the teacher or administration in advance. We request 24 hours' advance notice. Teachers may request that an administrator attend during the classroom visit. The lesson observation will not exceed 45-minutes.**

- All parents need to make appointments with teachers to conference. Teachers can not conference with parents during arrival, dismissal, and school hours when they are with their students.
- Visits to areas other than classrooms (cafeteria, community center) require permission of a building administrator.
- School staff will ask for photo identification. Visitors are assured that this safeguard is for the protection of all students.

Limitation of Visits:

- Administrators are authorized to limit the visitation of the main office, school/classes when in their judgment the visit by an individual is ***disruptive or inappropriate*** to classroom learning. Police presence will be requested if school safety is impacted.
- All classroom visits must be pre-approved by the administration with 24 hour notice. **Scheduled observations in classrooms by parents / guardians will not exceed 45 minutes.**

Failure to Comply with District Policy:

Failure to comply with this policy subjects violators to **arrest** for trespass on school grounds and facilities in violation of Delaware Code, Title 11, Section 821 of the Delaware Criminal Code.

WALKING SAFETY

Any adults (parents, relatives, child care provides) picking up a child **must** come to the Student Pick-Up Area (cafeteria) to receive their child.

Students walking to and from school are considered children that are permitted to walk without adult supervision and these students should observe the following rules:

1. No student should arrive to Shortlidge before **8:45 am**. We will not be responsible for students who are dropped off or arrive before this time.
2. All students should go directly to and from school. **DON'T** loiter or play on the way.
3. Obey **ALL** safety signs. Stop and look all ways at each intersection.
4. Use the sidewalks if available. Students should also cross the street at corners and follow the directions of the crossing guards.
5. Children **are not** to speak with nor accept rides from strangers.
6. Be a good neighbor by treating the peoples' homes that you pass with respect and courtesy. Do not throw trash or walk on the lawns.

APPENDIX

More information about reporting requirements and procedures for reports of bullying behaviors in school:

Reporting Requirements and Procedures

Any school employee who has reliable information that would lead a reasonable person to suspect that a person is a target of bullying shall immediately report it to administration. A written report shall be submitted to a designated administrator within 24 hours if (a) measures confirm a staff member's concerns that a student is being bullied, (b) a staff member receives a report of a bullying matter, or (c) a staff member observes a bullying incident.

The procedures for a student and parent, guardian, relative caregiver, or legal guardian to provide information on bullying activity shall be as follows:

1. If a child complains of bullying while it is happening, the staff member shall respond quickly and firmly to intervene, if safety permits, if the situation appears to that staff member to involve bullying or real fighting.
2. If a child expresses a desire to discuss a personal incident of bullying with a staff member, the staff member shall make an effort to provide the child with a practical, safe, private, and age-appropriate method of doing so.
3. A letter box shall be placed in a place or places selected by the Coordinating Committee so that students who feel unable to talk to any staff can have a point of contact. Information found in the box shall be treated with care and a staff member or members shall be designated to be responsible for this information. Blank "Bullying: Request for Support" forms shall be available to all students but shall not be required for a report.
4. Written complaints shall be reasonably specific as to actions giving rise to the complaint and should include information as to:
 - a. Conduct involved
 - b. Persons involved, designated bully, target, and bystanders' roles
 - c. Time and place of the conduct alleged, number of incidents
 - d. Names of potential student or staff witnesses
 - e. Any actions taken in response.
5. Anyone may report bullying and a report may be made to any staff member. Staff members should encourage that reports of bullying be made in writing.
6. Each principal shall designate a person or persons responsible for responding to bullying complaints.
7. Every identified complainant who files a written complaint with a staff member shall receive a written explanation of results to the extent that it is legally allowed and shall be given an opportunity to inform the designated person as to whether or not the outcome was satisfactory.
8. Every confirmed bullying incident shall be recorded in e-School, which shall provide a central record for designated staff to read. This record shall give an indication of patterns, which may emerge of both bullies and victims. Formal disciplinary action solely based on an anonymous report shall not be permitted. Independent verification of the anonymous report shall be necessary in order for any disciplinary action to be applied.

Investigative Procedures

Each school shall have a procedure for the administration to promptly investigate in a timely manner and determine whether bullying has occurred. Such a procedure shall include the following steps:

- All complaints shall be appropriately investigated and handled consistent with due process requirements.
- Each principal shall designate a person or persons to be responsible for responding to bullying complaints.
- Neither complainant nor witnesses shall be promised confidentiality at the onset of an investigation; however, efforts shall be made to increase the confidence and trust of the person making the complaint.
- Whenever practical, the investigating person shall make efforts to document the bullying from several sources. Student victims may have a parent or trusted adult with them, if requested, during any investigatory activities.
- After receiving notice of the suspected bullying, the designated person shall review the complaint in conjunction with any other related complaints and reasonable steps shall then be taken by the designated person to verify the information and to determine whether the information would lead a reasonable person to suspect that a person has been a victim of bullying.
- Once the administrator has confirmed that a person has been the victim of bullying, the administrator shall take prompt investigatory steps to determine who committed the acts of bullying and whether others played a role in perpetuating the bullying. The administrator shall avoid forewarning the student suspects and shall interview suspects separately and in rapid succession.
- After identifying those who committed the act or acts of bullying, the administrator shall apply disciplinary action and the range of consequences identified in this policy (below). The bully shall be informed that graduating consequences will occur if the bullying continues.
- The administrator shall keep a written record of the bullying incident and any disciplinary actions taken, as well as a record of any written statements of those committing the bullying, victims, and witnesses. Discussions with all parties shall be documented as soon as possible after the events. The school shall not destroy or discard any material records or evidence while a criminal investigation into or prosecution relating to the incident is ongoing.
- A follow-up shall be completed two weeks after an incident to determine whether the bullying has continued and whether additional consequences are needed. An additional follow-up shall occur in two months, regardless of whether new incidents have been reported.
- Each confirmed incident shall be recorded in e-School.
- All confirmed bullying incidents shall be reported to the Department of Education by the principal or the principal's designee within five working days pursuant to Department of Education regulations.
- The Superintendent or Superintendent's designee shall report monthly to the Board on the number of bullying incidents reported through e-School. The report shall be distributed to the Board one week prior to the regular Board meeting.

Non-Classroom Supervision

To the extent that funding is available, each school shall develop a plan for a system of supervision in non-classroom areas. The plan shall provide for the review and exchange of information regarding non-classroom areas.

The District believes that positive consequences should be given when students are obeying the rules about bullying. These consequences may include enthusiastic, concrete, behavior-specific praise or creative consequences that are truly positive for students considering their age, sex, and maturity level.

The District believes that victims should be given support. If bullying is suspected, staff members shall make an effort to:

1. Find a private opportunity for discussion with the victim.
2. Discuss with the victim what support he/she needs.
3. Ensure the victim's safety.
4. Record the event and follow through with actions.
5. Provide the victim with opportunities to gain peer support.
