Dear Conrad Families,

I hope this message finds you all in good health, refreshed from a restful summer, and excited for the upcoming school year. As we prepare to embark on another year of learning and growth, I am thrilled to welcome you back to Conrad Schools of Science, along with our fellow Red Clay schools.

Throughout the summer, our campus has been bustling with preparations, and this energy will only grow as we step into the new academic year. Behind the scenes, our dedicated administrators and teacher leaders have been working tirelessly to ensure a smooth and engaging start to the year.

With great anticipation, we extend a warm welcome to our newest members—the 6th-grade class (Class of 2031) and the 9th-grade class (Class of 2028). Your presence enriches our school community, and we're excited to begin this educational journey with you!

At Conrad, we welcome and embrace inclusion and diversity, and we remain committed to our Mission and Vision:

- **Mission:** Conrad Schools of Science... teaching life science and life lessons in a kind and inclusive environment, inspiring students and improving the world.
- **Vision:** Conrad Schools of Science will empower students to achieve their goals and impact the community.

As we gear up for an exciting academic year, secondary school is a vital chapter in your child's personal growth, and we are here to support you every step of the way. Embracing the CONRAD WAY, let's make this year one of growth, discovery, and achievement!

Please do not hesitate to reach out for support or clarity.  
Here's to a fantastic school year!

Warm regards,

**Kendra Todd- Dixon**  
Principal
