

# RED CLAY REMOTE

# SCHOOL MEALS TO GO!

*When your child is participating in ZOOM school all day with a 30 minute lunch break, finding time to break AND make lunch is challenging! Let Red Clay School Meals help! Each Tuesday & Thursday, mark your calendar to visit any Red Clay school or one of the Red Clay bus sites to get school meals, complete with a grain, protein, fruit, veggie and milk - the meals are designed so you can quickly pop the meal in the microwave for a fast, nutritious and delicious lunch that keeps kids fueled for success during their ZOOM school! Meals are handed out in bulk to get you through the week successfully, so students are ready to take on whatever remote lesson plan is thrown their way! On Tuesday, you will receive 3 breakfast meals and 3 lunch meals. On Thursday, you will receive 4 breakfast meals and 4 lunch meals. Check out our Remote Meal Service flyers included for information about service times and locations!*
