

# Social Story for George Floyd

People are angry and sad

in our cities and our country.

George Floyd was killed by a police officer.

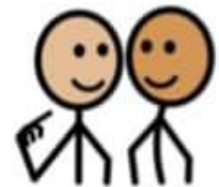

Mr. Floyd was African American, the officer was white.

People are protesting because

Mr. Floyd should not have died.

Many police officers protect us.

This officer did not protect George Floyd.

For many years,

some police officers have hurt African Americans.

People

need

to be safe.

People

need

to be treated

fairly.

People are protesting

to make things better.

They

need

African Americans

to feel safe and be treated fairly.
