

RED CLAY CONSOLIDATED SCHOOL DISTRICT

ADMINISTRATIVE MEMORANDUM

STUDENTS RETURNING TO SCHOOL FOLLOWING AN ACCIDENT, BIRTH OF A CHILD, INJURY, OR HOSPITALIZATION | 8001.9

In order for the school nurse to provide appropriate follow-up treatment and accommodations when a student returns to school after an accident, birth of a child, injury, or hospitalization, a Students Returning to School Following an Accident, Birth of a Child, Injury, or Hospitalization form (attached) is required.

The student/parent is responsible for communicating with the teachers when a student is absent from school due to one of the reasons noted in this administrative memorandum. The student is responsible for making up assignments/tests/homework missed during his/her extended absence from school, unless the student is approved for homebound.

A student's readmission/entry to a school after an accident, birth of a child, injury, or hospitalization will be subject to receipt of the attached form.

Questions about the information contained in this administrative memorandum should be directed to Deputy Superintendent.
