Graduated Driving License Law in Delaware

At the age of sixteen, individuals who successfully pass a state-approved driver education course may enter the Graduated Driver License program. During the first 6-months, the teen driver must have adult supervision at all times. Seat belts must be used, cellular phones may be used in emergencies, and only one passenger may be in the vehicle. Also, a parent or guardian shall certify that the teen driver has completed 50-hours of driving time, which shall include 10-hours of nighttime driving. This log book shall be signed by the parent or guardian and submitted to the driver education teacher at the end of the first 6-month period.

5 COMMON DRIVING ERRORS

- 1. Excessive Speed
- 2. Aggressive Driving/Tailgating
- 3. Failure to Wear Seatbelt
- 4. In-attentiveness
- 5. Distractions, e.g. radio, cell phones, texting and friends.

LICENSE RESTRICTIONS:

Parents are reminded that seatbelts must be used at all times and the following restrictions apply:

- First six months from date Level 1 permit issued:
 - Supervised driving at all times
 - Permit must be in the possession of the permit holder.
- Second six months from date of issue:
 - Unsupervised driving from 6 a.m. until 10 p.m.
 - Supervised driving only from 10 p.m. until 6 a.m. except traveling to and from church activities, work activities, and the permit holder's school activities (on school property only).
 - Permit must be in the possession of the permit holder.
