

## L.H.E. 7 Habits Video Contest!

We want all our 'little lions' to remember the 7 Habits even though we are not in school each day! To help us remember, we are asking for LHE students to make short videos displaying the 7 Habits.

To get started:

Step 1: Pick your favorite Habit

Step 2: Think of what that Habit means and ways we can show it each day...be creative!

Step 3: Create a skit, song, comic strip, story, drawing, or any creative interpretation of the Habit on your own or with a sibling in your home (follow social distancing rules)

Step 4: Have a grown up record you describing the Habit

Step 5: Ask the grown up to send the video to *LindenHillRelatedArts@gmail.com*.

\*\*Look on our Linden Hill Website for entries and winners to be posted. \*\*

### Here's a reminder of the order of the Habits!

- Habit 1: Be Proactive
- Habit 2: Begin with the End in Mind
- Habit 3: Put First Things First
- Habit 4: Think Win Win
- Habit 5: Seek First to Understand, then to be Understood
- Habit 6: Synergize
- Habit 7: Sharpen the Saw

\*\*Have fun, be creative, and good luck!\*\*
