[Smile Check Onsite — Age 6 to 12 - Delaware Thrives \(dethrives.com\)](https://dethrives.com)

All services are provided by a licensed dentist or dental hygienist employed by the Division of Public Health. Parents/guardians will receive information about their child's dental visit and a follow-up call if additional dental care is need. **Medicaid and CHIP will be billed for services provided. Services not covered by insurance will be provided at no cost.**

Chewing surface before sealant

Tooth protected by shaded sealant

What are dental sealants?

Dental sealants are thin, white coatings painted on the chewing surfaces of the back teeth (molars) that can prevent cavities for many years.
