Policy Statement

The Red Clay Consolidated School District Board of Education believes that a safe, civil environment is essential to high achievement for staff and students. District administration and staff are held to high expectations with regard to the respectful treatment of parents/guardians and other members of the public and expect the same consideration in return. This policy has been developed in addition to applicable policies governing staff and student expectations of conduct. The District is committed to maintaining a positive environment for students, staff, and community members and will work tirelessly to limit any Abusive Conduct that may occur towards any staff member/administrator by the school community.

The district may block any member of the school community who engages in Abusive Conduct from access to district electronic communication and social media and if appropriate notify law enforcement.

Nothing herein shall prevent any employee from directly contacting law enforcement to report Abusive Conduct or other safety concerns.
