TUITION REIMBURSEMENT INSTRUCTIONS

Failure to comply with these instructions and date deadlines will result in your reimbursement packet being returned. Incomplete/inaccurate packets delay reimbursement for everyone.

BEFORE YOU TAKE CLASS(ES):

Staff must submit for approval PRIOR to the start of any course.

1. Complete a Course Tuition Reimbursement Form in FileBound prior to the start date of the class for each class. Go to the intranet, click on "Forms".
2. Print your final approvals when you receive them by email. This is the first piece of your reimbursement packet. You must click the link in the email and print the actual approval from Filebound.

AFTER YOU HAVE TAKEN CLASS(ES):

Only hardcopy packets will be accepted. Incomplete packets cannot be processed and will be returned. Your reimbursement may be delayed until the next processing cycle.

When you have completed the course and received a transcript for the classes taken, you are ready to complete your personal reimbursement packet. Use the attached checklist as a guide.

1. Include a copy of your final approval from FileBound and the Tuition Reimbursement Request form.
2. You must include a statement from the institution indicating itemized charges and payments. This is your Proof of Payment document.
3. You must include an unofficial transcript that is printed from the institutions website. You may not use the "My Grades" application from your University.
4. You must include a Tuition Reimbursement Cover Page and a Tuition Reimbursement Course Log. These documents are located on the Red Clay Intranet: go to the intranet, click "Forms", scroll down to "Financial", click on "Tuition Reimbursement Form".
5. Do not put any dollar amounts on the cover page, only your personal information and your employee ID number. PLEASE DO NOT STAPLE YOUR PACKET.
6. The Tuition Course Log should contain: course title and course number, number of credits and tuition amount. Do not include any class fees on your reimbursement, only the tuition. Use two sections on the same sheet to list summer and fall classes. Print clean forms. Do not use or submit the examples.
