

Board Policy

Administration Goals

**Administration
Policy 3001**

Policy Statement

The administration of the District is responsible for ensuring that the environment and instructional program of the District supports the Mission and Goals established by the Board.

All administrative duties and functions shall be evaluated in terms of the contribution they make toward achieving District goals.

The District's administrative organization shall be led by the Superintendent and guided by Board policy to achieve the following:

- Effective management of departments, schools and programs
- Provision of professional advice and counsel to the Board and any advisory groups established by the Board
- Leadership in knowledge and implementation of current best practices
- Provision of staff development necessary to meet student needs
- Coordination of efforts toward efficiency and increased learning
- Access to the decision making process for staff, students, and citizens

Responsibility

The Superintendent shall be responsible for compliance.
