

## Instructional Goals and Objectives

Instruction  
Policy  
7001

### Policy Statement

- The Superintendent shall have the responsibility for implementing state and District-adopted content standards into the instructional programs of all District schools.
- The District shall engage in a continuous process of
  - Revising curriculum and programs of instruction to align with content standards
  - Identifying grade-level assessments which will measure each student's progress toward mastery of content standards
  - Focusing on staff training in best practices
  - Extending outreach to families in an effort to help each student meet or exceed content standards.

### Responsibility

The Superintendent shall be responsible for compliance.
