

Emergency Cards

Delaware Department of Education regulation 811, 2.0 reads:

[Emergency Treatment Card](#)

2.1 An Emergency Treatment Card for each public school student shall be on file in the office of the school nurse.

2.1.1 The information on the Emergency Treatment Card shall be shared only on a need to know basis as related to the education and health needs of the student and consistent with state and federal laws.

2.1.2 The parent, guardian or Relative Caregiver or the student if 18 years or older, or an unaccompanied homeless youth (as defined by 42 USC 11434a) shall sign the Emergency Treatment Card to assure they understand the purpose of the form and acknowledge the accuracy of the information.

Please make every effort to send a complete [Delaware Emergency Treatment Card](#) to school as soon as possible for the safety of your child. One purpose of this form is to assist the nurse and other school personnel in reaching parents/guardians should a medical emergency arise. In the absence of this form, the school may not be able to provide full or immediate treatment. During the course of the school year, should this information change, please notify the school nurse so that we can update your child's card.

You may obtain a current card from the school nurse, the main office or you may download the [Delaware Emergency Treatment Card](#) from this site.
