The LoTTIE Kit - Tools for
Productivity

What is a **LoTTIE Kit**? LoTTIE stands for “Low Tech Tools for Inclusive Education”. We have one full kit in the AT Closet. Here is a partial list of some of the assistive tools that are contained in the kit:

The **Nitewriter pen** lights up as you write for better lighting, improved tracking as you copy, and temporary highlighting.

Twist ‘n Write Pencils

Unique pencil design provides the ideal grip for maximum control and consistency

Ergo-Sof PenAgain

The new Ergo-Sof PenAgain is a revolutionary ergonomic pen that comes finished with a soft rubber coating that adds extra comfort and style as well as new enhancements like a pocket clip, retractable cap, easier refilling and more streamlined ergonomics.

Hot Dots Pen Set

Create an interactive multiple choice lesson in minutes. Place a hot dot next to the correct answer and cold dots next to the wrong answers. Students touch the dot next to the answer they think is correct. Hot Dots play a rewarding “song”; cold dots buzz for a wrong answer. Set contains a Hot Dots Pen and adhesive hot and cold dots.

Pencil Grips- wide variety!

Grip Erasers- variety!

Primary Kids Ruler- Helps students grasp the concept of inches, half inches, etc. Students can mark on with a dry erase marker and wipe off repeatedly.

Ready2Learn Stampers- upper and lower case letters as well as numbers and math signs

RediSpace Transitional Notebook Paper-encourages proper spacing and appropriate letter size

Personal Electronic Memo- record multiple messages- 90 seconds of digital recording time

Writing Paper with Raised Ruling
