Downloading Gallery Categories in SMART Notebook

[SMART Software](#)
[Operating Systems](#)

SMART Notebook software 9.x and 10

Windows® and Linux® operating systems, Mac operating system software

Overview

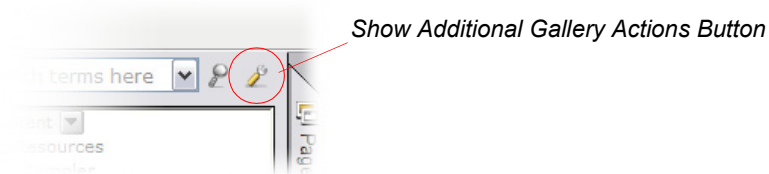

This article describes how to download Gallery categories in SMART Notebook.

Details

Use the SMART Notebook software update feature to automatically download Gallery categories.

To download Gallery categories in SMART Notebook

1. Press the **Gallery** tab.
2. Press the **Show additional Gallery actions** button.

3. In SMART Notebook 9.x, select **Check for Updates > SMART Essentials for Educators**.

OR

In SMART Notebook 10, select **Check for Updates > Gallery Essentials**.

The *SMART Essentials for Educators Setup* dialog box appears.

2 | **KNOWLEDGE BASE** – DOWNLOADING GALLERY CATEGORIES IN SMART NOTEBOOK

4. Select the Gallery categories you want from the list on the left side of the dialog box.

The categories appear in the *Summary of Changes* box.

5. Press **Next**.

SMART Notebook software downloads and installs the categories you want on your computer.

6. Press **Finish**.

7. Restart your computer.
